2022 ANNUAL REPORT

Serving men, women, and children since 1903

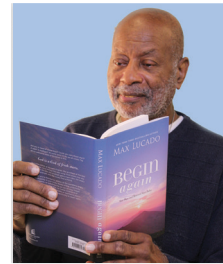

MEN'S RESIDENT SHELTER

For those who truly seek healing from past failures and a second chance in life, the Sunshine Resident Shelter provides homeless men an opportunity to live in a stable, caring and encouraging community that provides assistance and accountability while teaching personal responsibility.

The residents are offered life-skill classes, academic studies, vocational guidance and practical job training as well as the love and nurturing required to heal from their past and prepare for a fulfilling and productive future.

With a solid spiritual foundation, they are also provided many opportunities to discover their unique God-given strengths and talents that will allow them to build a healthy self-esteem and begin to believe in their own potential.

As the "family" that many of these men never had, Sunshine Ministries sustains and supports these men physically and mentally as they strive to find meaning and value to their lives.

FAMILY C.A.R.E. PROGRAM

The Family C.A.R.E. Program provides much needed food and household goods for impoverished men, women and children.

In our beautiful, modern Family Center we are also able to provide life skill training such as educational, computer, job readiness, cooking and parenting classes. We also offer encouraging Bible studies and fun-filled special events such as craft days and holiday parties.

YOUTH PROGRAMS

Sunshine Ministries' extensive youth programs serve more than 100 at-risk youth and are designed to offer them an opportunity to realize their God-given potential, equip them with life skills that will lead to a rewarding and productive future, and build wonderful childhood memories that will last a lifetime!

A NOTE FROM OUR CEO

Dear Friends,

Founded in 1903, Sunshine Ministries served homeless men as St. Louis' first soup kitchen and shelter . . . but today we are so much more! We have expanded our outreach to include women and children and added many life-changing programs including a Family C.A.R.E. Program, Youth and Teen Programs, a spectacular Summer Camp and Sunshine Preschool.

Through the years there is one thing that has never changed - our commitment to sharing God's love by offering a hand up to the poor and needy of St. Louis and encouraging them to recognize their potential and live a life of purpose and fulfillment.

Sunshine Ministries' longevity and growth are due to the thousands of individuals, churches and businesses that have supported the work of the ministry. Because of our community's generosity, we have never had to accept any government funding and have never had to compromise the Christian values upon which we were founded.

I greatly appreciate everyone who has with us to offer healing, help and hope to our neighbors in need.

Sincerely,

Carol Clarkson
